

COMMITTEE: INDUSTRY ROUNDTABLE

Jeff Stribling (Quad/Graphics)

Chair Bruce Bagwell (Ten Cate), Vice-Chair

Various industries from Upson County including, Standard Textile, Clear Water Paper, Keadle Lumber, Quad/Graphics, Triumph Packaging, Ten Cate', E7- Technologies, Upson EMC, Solo Cup, Chief Manufacturing, Criterion Technology and Georgia Power Company, along with local government official and Workforce Development, meet every month to discuss issues or concerns within the industries

COMMITTEE: MAINTENANCE ROUNDTABLE

Randy Ballenger, (Solo Cup) Chair

Johnnie Caldwell (Quad/Graphics), Vice-Chair

Mission Statement: "To partner with Existing Industry to support Thomaston-Upson industrial businesses by sharing both technical knowledge and resources to prevent or reduce critical equipments down time."

Various individuals involved with the maintenance departments within the local industries meet once a quarter to discuss issues or concerns within their industries. This committee also has a speaker each quarter that speaks to the group regarding items in their field of work.

Maintenance employees from the following industries attend this meeting: Standard Textile, Clear Water Paper, Keadle Lumber, Quad/Graphics, Triumph Packaging, Ten Cate', Solo Cup, Chief Manufacturing, Criterion Technology, Upson Regional Medial Center and Flint River Technical College.
